Cindy Swayer wanted to thank the fire department for going above and beyond with their recent chimney fire. She was very appreciative for the great response of the department.

Cindy was contacted by Med Control and was told that she needed to hand in a schedule for coverage for the ambulance and that if we missed 1 call they were going to shut us down and pull our license for the ambulance. She contacted Tom Caspersons office regarding this and they are going to look into this.

Ken Golat was here from Manistique EMS and he stated he views us as an asset and that they need us here. He is willing to sign an agreement to roll Manistique EMS every time that we roll so that we will always have the 24/7 coverage. Kelly, Cindy, and Ken are going to work out an agreement to get this in place.
