### **Old Business**

New Town hall: Kelly has still be checking into how we can accomplish this and found that we have to pay the state of MI \$800-\$2,000 for paperwork but she found a lawyer that has found and loop hole with this and he would help us do all of this and would only charge us if the millage passed. She is also going to put in article in the paper for a town hall meeting for the residents to attend so she can explain the process and they can ask questions.

Furnace: Go thru the bids we received for replacing the furnace and have it installed and if the new building passes move furnace to the Fire Hall. Tabled.

New refrigerator was installed.

### **New Business**

Painting of dugouts and concession stand, we will buy paint from Ace and have UPCAP or Bryce Thompson complete this.

Ed Unger is no longer running with us. He wants us to come up with a 24/7 call schedule.

Cindy Swayer also asked the board about paying responders per run on the ambulance. No Motion was made to support this.

### **Correspondence**

CUPPAD- Kelly Silkworth is going to investigate this and see if it is beneficial to us before we renew our dues.

Little Bear West is changing their rates and tribal kids will no longer skate for free there so we may see an increase in the amount of our township kids.
