FD/EMS We had two calls this past month, one was a mutual aid call for garden township. I received a restitution check from the person responsible for the mill fire. We turned in a total of 121\$ dollars and the first check is 25\$ I had talked to Tim Russell a few months ago and told him any check would need to be made out to the township but the check was made to Inwood fd. I can sign the check and give it to Sherry or ask Tim that anymore checks be made out to the township. Whatever needs to be done, I just want the repayment to go to the correct place. Sherry can call me tomorrow and let me know what I need to do. *end of Brad report*
