Brads report...We had 3 calls since the last meeting. All of which we responded to. I have gotten feedback that our response numbers have been low. So, I wanted to let the board know we have had an average of three members respond to every call the past 5 months. The last two calls have been 4 people

with a 5th one available but held off. We have one new member taking fire class right now and have gotten 3 new members in the past 3 years which is an increase from zero the past 5-6 years

EMS Ryans Report... 3 calls in the past month, 1 canceled.....end
