Fire Department

*Report by Fire Chief Jon Guertin: This month we had three calls. All three were medical assist or rescue calls. We are waiting on a few new sets of turnouts that are being made now, those should be arriving any week now. With the number of wildfires going on north of us I'm still not comfortable taking 381 out of service while we swap over to 382. I reached out to the chief of Munising township and he requested cost of fuel and payroll for a mutual aid contract. I will be bringing that up in the next fire dept meeting. Other than that, we have been preparing for the corn roast. I spoke with Jim at Jandt farms and the corn has been growing well. We have also set up this year's chainsaw carving at Linda's to hopefully get more interest in it.

*Discussed Fire Hall updates
